50 FT VIKING "FEARLESS": A great addition to the fleet, this vessel was built in the year 2000 and has a top speed of 36 knots, making her ideal for the most serious fisherman, whilst offering comfort and first class amenities Tournament rigged and ready for action. This Viking turns heads wherever it goes. Luxury edition with master stateroom with queen bed, t.v, v.c.r and private bathroom, guest stateroom has upper and lower bunk arrangement as does the forward stateroom; these two staterooms share a bathroom. Top sound system and home entertainment center, teak finish throughout with soft leather furnishings, fully airconditioned, ice'maker. Northstar GPS with color chart plotter, Furuno Radar and Video Sounder. Captian Benito Agundez has been with Pisces for 20 years, being recently promoted to this larger vessel. He brings dedication, skill and Billfish Foundation Award for most striped marlin released worldwide in 1991. He speaks good English and is very conscientous about keeping his vessel in top shape.´

60 FT HATTERAS "SHAMBALA": Shambala is a well maintained vessel with 3412 Caterpillar Turbo engines allowing for a top speed of 32 knots. The entire interior is finished in cherry wood. The salon is comfortable with an "L" shaped Italian leather seating arrangement, dinette for six, complete galley with trash compactor, two refrigerators , two freezers, Direct T.V that functions even whilst at sea, both on the bridge and down below, Sirrus Radio, DVD, VHS, CD player, I Pod plug in so you can bring your favorite tunes . The master stateroom has a queen size bed, with bathroom en suite with a shower/tub and Direct TV. The VIP guest stateroom has a double bed, own bathroom and T.V with VCR. The third stateroom can be used for guests or as crews quarters, own bathroom with shower; washer and dryer also aboard. A large comfy bow cushion is ideal for sunbathing, a big plus when the ladies come along. Two bait tanks are located in the cockpit, plus another on the bow of the boat for a capacity of 250 baits, when needed, nine tuna tubes make sure you never run out of large bait when necessary. The cockpit has an icemaker for keeping your fish cool in the hold, plus a tackle center with a large selection of lures. Two GPS, side scanning sonar, water maker, two generators, tuna tower. The bridge is large with ample, shaded seating for guests to spend time up top. . Fishing equipment ranges from spinning gear for light tackle to 100 lb tackle and Penn Internationals, plus kites and a downrigger. What is so special about this vessel is the captain. T.J Dobson who is originally from Oklahoma but moved to Cabo when he was a teenager and has been fishing every since. Now a Mexican citizen he still has a charming Midwestern drawl and is highly esteemed as one of the best fisherman in Cabo by both his American and Mexican counterparts, which is saying a lot. T.J has fished from Hawaii to Panama and has placed ten times in tournaments both in Mexico and Hawaii. His largest marlin to date is a 862 lb blue caught in Kona, his largest tuna 318 lbs, he also has a 420 lb swordfish and two wahoo over 100 lbs. T.J was the winning captain in the 2008 Tuna Tournament. T.J loves to fish pitch baits and his record number of striped marlin in one day is 60, at the Finger Banks. T.J is easy going and pleasant to be around.

61 FT VIKING "EL GALLO": This beautiful yacht/sport fisher was built in 2003 and is in pristine condition. Possibly the finest sportfisher in the Cabo Marina. From the moment you step aboard, there is no doubt that this is a serious fishing vessel. Starting with the extra wide cockpit, which contains a professional, hydraulic-swivel fighting chair, two live bait wells and complete tackle center, this vessel has everything needed to make your day a success. The powerful 1480 Turbo engines have a top speed of over 38 knots, whilst the boat design ensures a smooth, stable ride. The salon is spacious with sofas in beige leather the dinette provides ample seating in ostrich skin, complemented with a 48" flat screen TV. The galley is complete with refrigerators, freezers, microwave, range, icemaker and trash compactor. Sound system throughout as well as air-conditioning, XM satellite radio and full safety gear. The master stateroom has a queen size bed with T.V and bathroom en suite; the guest stateroom has one double and one single bed with bathroom en suite also. The third stateroom has two bunks with own full bathroom, washer and dryer. The bridge is decked out in state of the art electronics including GPS, radar, depth sounder, autopilot and infrared "Red Eye" as well as large reflectors for nighttime. The large capacity fuel tanks allow for extended trips. Fishing tackle is by Shimano, ranging from 25 to 130 lbs. Captain "Nayo" (Genaro) Winkler is a local legend; Nayo has over 29 years experience fishing Cabo including two first places in the famous Bisbee tournament in 1985 and 2003. He has also claimed two seconds in this same event in 1993 and 2001. He was also the top captain in the world for releasing striped marlin in 1997. Nayo is a native of Cabo San Lucas, speaks good English. He is unassuming, friendly and a pleasure to spend the day with.

60 FT MIKELSON "ANDALE": This brand new 2008 sportfisher is the bomb, lots of space combined with beautiful design and functionality. The interior is done out in high gloss teak wood and the galley countertops are black granite. The salon has an oversize "L" shaped leather seating arrangement and the high ceiling of this vessel accommodates even the tallest of guests. The salon has a 42" flat screen T.V with Direct TV service as well as a selection of DVD's and sound system. The galley is equipped with dishwasher, convection oven, refrigerator and freezer as well as a sit up galley bar. A couple of steps down from the salon is a cozy dining area. The master stateroom is decorated in rich browns that combine perfectly with the teak wood paneling and the "en suite" bathroom has a full size shower with black granite finishes. The guest stateroom is located in the bow and is bright and comfortable with a separate bathroom with full shower and black granite sink. Both staterooms have flat screen T.V's. The fishing area of the cockpit is extremely wide giving the crew lots of area to work when fighting a fish. The Pompanette fighting chair is ideal for fighting even the biggest of fish and the bait preparation and tackle center is fully equipped. The bait well can hold up to 100 live fish and there is an additional bait tank on the bow. There are two large refrigerated fish holds to keep you catch in perfect order. Molded in steps and safety rail, make it easy to move around to the bow of the boat for sunbathing or casting an additional line. One of the nicest features of this vessel is the roomy enclosed, flybridge with comfortable seating for at least 10 guests. The flybridge has a refrigerator, is carpeted and is fully air conditioned. A range of full electronics are on board such as Avnet, depth sounder, Fish Finder, GPS, radar; water maker and icemaker are also aboard. The captain has four different stations from where he can maneuver the boat allowing for maximum visibility and allowing him to be hands on in regard to the fishing. Fishing equipment is by Shimano and ranges from 15 to 80 lb class. New technology allows for very low emissions and no diesel smell on this vessel. Engines are by Cummins and produce a top speed of 30 knots; stabilizers allow for a smooth ride. Captain David is from the Los Cabos area and speaks good English he has 20 years experience fishing these waters. He has proven tournament experience with a 765 lb fish his personal record in 2003. David is an excellent fisherman with plenty of energy who is tireless in working for you.

70 FT HATTERAS "SALSA": This beautiful Hatteras is in pristine shape, a large sportfisher with luxury to boot. This vessel was customed finished for Cabo San Lucas and has many special features. The interior is tastefully decorated, done out in hi gloss cherry wood. The salon is well appointed with an "L" shaped Italian soft leather seating arrangement and oversize flat screen T.V, a couple of steps lead up into the galley which has granite counter tops and is fitted with dishwasher, microwave, oven and all amenities, along with a cozy dinette also in leather, suitable for seating 4-6 guests. An attractive spiral staircase leads up to the air-conditioned enclosed flybridge which has ample seating, refrigerator and balcony for viewing the fishing. Four staterooms below deck, two queens, one twin and one twin that can be used as crews quarters or an extra guest cabin. All are comfortable and tastefully furnished; with top of the line bedding- three of the staterooms have their own "en suite" bathrooms. The cockpit is large and has a raised area for spectators which is shaded and comfortable. The fighting chair is by Murray Brothers complete with "rocket launchers" and bucket harnesses and fighting belts are also available for those wishing to fish stand-up, or for the time when there are multiple hook-ups at the same time. Salsa has enough fishing tackle to outfit a whole fleet. All is top of the line - custom engraved Accurate reels with matching rods, ranging from spinning tackle to 100 lb for tournament fishing. There is a huge stainless steel Faber Tuna Tower which provides a great vantage point for spotting fish. Three control centers allow the captain to maneuver the vessel from different areas so he can be close to the fishing at any time. Salsa even has her own built in vacuum packer and cigar humidor. Air conditioned throughout, sound system, CD, DVD and IPOD plug-in. Captain Mariano is a charming young man, who has spent most of his life in Cabo, being a dual citizen of the United States and Mexico. The sea is his passion and he loves to fish more than anything else in life. He is a wealth of knowledge about the area and is happy to share that know how with the guests aboard. He is skilled not just at catching marlin, but all kinds of fish, including grouper, tuna, snapper, yellowtail, dorado and wahoo. He knows plenty of dive and snorkeling spots too and will give you an entertaining trip. Deckhand Jorge has been with Salsa since she arrived in Cabo nine years ago and the pride he takes in this vessel is obvious; because it looks as good today as the day it arrived. Hostess Brenna is from California and goes out of her way to make you feel welcome whilst she pampers you.
