

CABO-OUTFITTERS

The 3 BAY

Half Day Kayaking & Snorkeling

Duration: Approximately 4 hours

Available Year Round

DESCRIPTION

The 3 Bay takes place along the tourist corridor between Cabo San Lucas & San Jose del Cabo on the Sea of Cortez. Kayak from Twin Dolphin beach into the beautiful horseshoe-shaped bay of Santa Maria, where you will have time to snorkel amongst colorful sea life. Then onto the white sand of Chileno to relax on the beach or venture back into the clear blue waters for another glimpse of the underwater world.

Both bays have reef environments, which makes this our best local snorkeling trip!
