

AMERICA'S CUP

A UNIQUE SAILING ADVENTURE

UNFORGETTABLE
MATCH RACE!

Join a world class crew aboard a magnificent New Zealand or Australian sailboat that has competed in the most famous sailing contest in the world: the America's Cup. Feel the emotion of sailing on them here in Cabo San Lucas! This is an activity that you can only do in four places in the world. Besides, anyone can participate, no experience is required, just the desire to live exciting and unforgettable moments.

Our professional crew of "Kiwis" and "Aussies" will show you what to do, from changing tack to grinding the winch and trim the sails, or simply relax on deck while you cheer your team on to victory!

"Took my father in law on this adventure for his 74th birthday... what a blast! Don't waste your time and money on an obnoxious booze cruise when you can learn something and experience the thrill of competition. Get REAL memories! Thanks to our captain Steve and our friendly well informed crew Andrew, Reinhart, Alberto, Heimi and Jonathan, who not only showed us the ropes but kept our cervezas coming on the way back into port."

"First rate – very professional crew and captain, Campbell, Rhino, Bruce and Miguel were all exceptional instructors. Educational but also tons of fun! Lots had a chance to helm the boat and work the grinders. There was a nice balance between the history, prep and actual time out on the water. It was a first rate excursion and well worth the price. Highly recommended."
