

CABO-OUTFITTERS

SAN JOSE ESTUARY

Half Day Kayaking and Bird Watching

Duration: Approximately 2 ½ hours
Available Year Round

DESCRIPTION

This is an exceptional kayak tour through the San Jose del Cabo estuary and bird sanctuary. Five minutes from downtown San Jose is a peaceful area filled with 200 species of exotic birds such as egrets, herons and brown pelicans, and many native and migratory birds. Sunset is the most scenic and picturesque time to visit.

Relax at the end of the day by kayaking the tranquil waters of the San Jose estuary at sunset.
