DESCRIPTION OF VESSELS AND CREWS:

31 FT CABO EXPRESS, "CABOLERO": The Cabo has been described as the most perfect 31 ft sportfishing boat ever built, due to its many features: speed, the ability to turn on a dime, sleek lines, stability and thoughtful construction as well as an ideal fishing layout. The cockpit has a fighting chair, bait prep station, two large fish boxes for storing your catch and plenty of shaded seating. The main cabin has a double bed, shaped lounge that converts to sleeping berths for overnight trips, built in T.V, DVD, ceramic cook top, microwave refrigerator and teak cabinets. The bathroom is roomy and comes with a shower. The tuna tower gives the captain a vantage point to spot fish from. Full electronics are on board; GPS, Fish Finder, Radar, ship to shore radio and safety equipment. Engines are twin turbo Caterpillar 3126, known for their reliability. Fishing tackle is by Shimano and Penn ranging from light to heavy. Captain Guadalupe has over fifteen years experience in our waters. His largest fish to date is a 712 lb blue marlin. Guadalupe is a young captain with lots of energy who loves to fish, he speaks good English.

32 FT CABO EXPRESS, "BILL COLLECTOR": (32.7 ft overall)

This beautiful 2005 Cabo Express yacht, has a 14 foot beam and top speed of 32 knots. This vessel is considered the ideal for Sportfishing and has the perfect layout for a day on the water. You will be hard pressed to find a cleaner boat than this one in the harbor. The crew keeps her in impeccable condition. The cabin is fully air-conditioned and has an "L shaped dinette with seating for six. The kitchenette has refrigerator, microwave and stove. The bathroom is of a good size and very clean. Satellite radio to listen to your favorite music or you can plug in your IPOD. The open style of this vessel allows everyone to participate in the action whilst at the same time having plenty of shade for up to six guests, with comfortable seats. The cockpit is well designed with a professional fighting chair, molded in refrigerated fish box to keep your catch, freezer aboard. Bill Collector has Furuno radar with a 90 mile range, GPS and Fish Finder. Fishing equipment is two speed Shimano and ranges from 16 to 50 lbs. Both heavy and light tackle are available upon request. Tuna Tubes. Captain Julio Gonzalez speaks English and is a Cabo native with a gentle style. He has been fishing this area for 15 years and loves to fish marlin as well as other species. His largest fish to date is a 950 lb black marlin caught on the mainland. Julio and his deckhand go out

of the way to make you feel welcome, sometimes preparing fresh sashimi and ceviche aboard. They are consistently mentioned in the fish report for outstanding catches.

35 FT BERTRAM "VALERIE": This vessel fills the gap between a standard day fishing boat and a yacht. Refitted in 2006 with new Turbo Cummins 315 engines for extra speed. Cabin is air conditioned and has dining area, small galley with microwave, refrigerator, TV & v.c.r, bathroom, shaded sitting areas both on the fly bridge and in the cockpit Tuna Tubes, GPS, Radar, Fish Finder Water Temp. Gauge, full selection on Penn International tackle. New professional Murray Brothers fighting chair. Captain Roberto Sandez has been with Pisces for 23 years and fishes over 300 days a year, so he has plenty of experience. He is a mild mannered, gentle man, very kind and above all an excellent fisherman. He has a quiet personality but makes you feel welcome. One of his best fishing days ever was when he caught a black marlin, two blue marlin, a striped marlin and a sailfish all in one day. Roberto was the recipient of the Top Captain Worldwide Award for releasing most striped marlin during 2007 by The Billfish Foundation. Both Roberto and his deckhand Raymundo speak some English.

35 FT CABO "GREAT ESCAPE JR": Great Escape Jr is a beautiful new 2006 Cabo, considered by many to be the best sportfisher ever built. This new vessel cruises at 26 knots and can reach a top speed of 35 knots, equipped with twin Cummins 550 engines. The spacious cockpit has a professional fighting chair with "rocket launchers", bait center, live well, refrigerated fish box and shaded sitting area. The salon is totally air-conditioned and has a dinette with seating for six, T.V, Satellite Radio, galley and sound system. There are two staterooms the first has two bunks, the second is nicely appointed with a queen size bed with own T.V. This vessel has a practical design, including shaded seating for guests up on the flybridge. Captain Ariel Rivero is totally bi-lingual having lived in the U.S for part of his life. His largest fish to date is a 667 lb blue marlin and he has placed both in the Bisbee and Gold Cup tournaments.

36 FT LUHRS "MUCHO BUENO": This 1998 Luhrs is in top shape after being completely refurbished in 2007. In September 2007 brand new twin Turbo 315 Cummins engines were installed giving the boat a top speed of 32 knots and added reliability. The salon is cheerfully decorated with a huge comfy couch, ideal for taking a nap and is fully air conditioned. The galley has a refrigerator, microwave, T.V, DVD and CD player. The molded in steps lead from the cockpit give easy and safe access to the flybridge, where additional shaded seating is available for guests. A radar, Fishfinder and GPS aid the captain in locating fish. Two staterooms; one with double bed and the other with crew bunks, bathroom with shower. The cockpit has a fighting chair, live bait well and transom door for loading really big fish onto the boat. Fishing gear is Twin Penn Internationals ranging from 20 to 50 lbs, plus lighter tackle and spinning gear upon request. Captain Ernie Junior comes from a family of local fisherman and has been well trained by his father in all aspects of the techniques of the Cabo area. He is energetic and loves to fish already proving himself by catching a 780 lb blue marlin in 2005. We have had only positive feedback from our clients in regard to this crew. Ernie speaks fishing English.

37 FT BERTRAM “FALCON”: Falcon is a serious fishing boat, with all the great features that Bertram is known for. A smooth riding, fast sportfisher, this boat has lots of equipment usually found only on larger boats. The Wesmar side-scanning sonar helps to find fish and bait in all directions. The Furuno video sounder is paired with a radar that has a 36 mile range, also aboard is a Garmin GPS with chart plotter system. Added to this are Fuginon stabilizing binoculars that help spot birds, porpoise and tailing fish from miles away. The oversized bait well can hold up to ninety live mackerel and there is additional bait well on the bow. Downriggers, stand up harness fighting chair and a complete set of Shimano and Penn tackle from 20 to 80 lb test rounds out the fishing equipment. Twin turbo charged Caterpillar engines; ensure that you get to the fishing grounds in good time. The salon is comfortable and the galley is equipped with microwave, refrigerator and freezer. Full air conditioning throughout plus sound system. The master stateroom has a comfy queen size bed, ideal for taking naps. The second stateroom consists of two bunks and there is a bathroom with shower. Up on the flybridge there is ample shaded sitting, whilst you chat with the captain, Manuel Romero. Manuel is a Cabo native with many years experience. It is rare that he comes back without fish and his largest fish in 2005 was a 700 lb blue marlin. Manuel speaks good English. He is one of the Cabo old school fisherman – fishing since he was 12 years old, extremely knowledgeable, but humble about what he knows.

38 FT BLACKFIN “C-ROD”: This 1997 vessel is in excellent condition, which is reflected throughout the whole boat. C- Rod has a top speed of 32 knots ensuring that you get to the fishing grounds in record time. The cockpit is spacious allowing for handling of large fish and features a professional fighting chair as well as a built in refrigerated fish box, keeping your table fish in optimum condition. The salon is fitted with comfy leather couches and is equipped with T.V, VCR, CD & DVD. C-Rod has air-conditioning throughout, so that you stay fresh even in the hottest weather. A few steps down from the salon are the dinette and galley, which has a refrigerator, coffee maker, microwave and range. There is a queen size bed and clean bathroom. Up on the bridge there is a shaded seating area for up to six guests. The boat has a GPS, water temperature gauge; Fish Finder, autopilot and two ship to shore radios. Fishing equipment is brand new and ranges from spinning tackle to 130’s Penn International and Shimano. Captain Abel Ramirez takes pride in his vessel and it shows. He has been fishing Cabo for over 15 years and goes out of his way to come back with flags flying. His fishing English is good and he has a pleasant personality.

40 FT TOLLEYCRAFT “LIBRE”: This yacht offers a larger option at a reasonable price. Spacious salon with icemaker, refitted in 2006 - T.V, VCR, full galley, bathroom with separate shower, large master stateroom, guest stateroom, central air conditioning, full selection of tackle, bow and cockpit bait tanks, tuna tubes, GPS, fishfinder. Captain Edgar Renteria has been with Pisces for 18 years, starting out as a deckhand aboard Tracy Ann where he formed part of the award winning Top Striped Marlin Worldwide Release team. In 2007 Edgar was the recipient of the Award for Top Captain worldwide for releasing most spearfish, given by The Billfish Foundation. Edgar has plenty of experience and is a very good fisherman he is meticulous and is very conscientious about doing his best to catch fish. Edgar placed second in the Gold Cup with a 485 lb blue marlin. He speaks fair English.

42 FT BERTRAM “YAHOO”: This vessel is a fast, super clean fishing machine. With two Cummins 430 Turbo charged engines, it’s no problem to get up over 25 knots and to the fishing grounds in record time. This vessel was recently refurbished and is custom designed for the serious fisherman. The large cockpit rivals that of larger boats and gives plenty of room to anglers when fighting a fish. A professional Pompanette fighting chair, plus two movable sail-fish chairs, ensure that everyone can be part of the action. The cabin is air-conditioned and is very practical and comfortable for getting out of the sun. Dinette, galley with microwave, bathroom with shower, comfy leather arm-chair, V-births and shaded fly-bridge with extra seating. Tackle ranges from 20 to 80 lb, Penn International and Shimano as well as spinning gear for light tackle. Captain Ricardo speaks good English and is dedicated to making your day a success. He is friendly and knowledgeable of the area and keeps his boat in pristine condition.

42 FT OCEAN “NI MODO”: Made in 1993, this is one of the top 42 ft vessels in the marina, twin turbo diesel engines, completely refurbished in 2007, nicely appointed salon, comfortable couches, done throughout in teak, one stateroom with queen, fully equipped bathroom with shower, air-conditioned throughout, one smaller stateroom with bunks. T.V , VCR, sound system, icemaker, shaded sitting area up on flybridge, two live bait wells, full selection of Penn International and Shimano tackle. Captain Edgar Rentaria, recently took over this vessel and has done a great job of getting Ni Modo in top shape. In previous years this boat garnered many awards such as winner release division Los Cabos Billfish 2004, 2nd place Tuna Tournament 2004. First place Tuna Tournament 2006, with the largest fish in the tournaments history at 318 lbs; so this boat is considered a “fish raiser” with a touch of luck. Edgar is a great fisherman, speaks fair English and is dedicated to making your day a success.

47 FT CABO “EUREKA”: This 47 ft vessel was built in 2000, but has been maintained to such a high standard that it looks brand new and actually feels like a larger boat. Twin turbo Mann engines reach a top speed of 32 knots. The wide beam on this boat and the way the fighting chair is mounted; result in a large walk-around cockpit. The oversize bait tank, including a bow tank, means you can easily carry up to 400 live baits if desired. There is a cold fish box and an Eskimo ice chipper to keep your catch from spoiling as well as built in freezers for extended trips. Four tuna tubes are installed for tournaments. A full complement of Shimano tackle is on board ranging from ultra light to bent butt 80 lb class. Kite fishing is also available. The salon is comfortable with an “L” shaped leather couch, dinette for six and is done out in hi gloss teak. Plasma T.V with Bose surround sound, DVD, CD along with an IPOD plug in on the bridge. Galley has stove, microwave, Sub Zero refrigerators and instant hot water. There are two staterooms, one with queen size bed and bathroom en suite and one stateroom with two bunks and one double with full bathroom attached with shower. The large fly bridge has shaded seating for up to 8 guests and is protected from the wind. A full range of electronics is aboard including side scanning radar, GPS, Fish Finder, Gyro Stabilized Binoculars and full safety equipment. Captain Ricardo Agundez spent 15 years with Pisces before stepping up to this vessel which can only be described as first class. Ricardo speaks fair English but most importantly is a superb fisherman after putting

in 300 plus day years on the smaller boats he definitely has lots of experience and is held in high esteem both by our clients and crews
