Since the arch is an ideal habitat for marine birds and multicolored fish, it is a great site to explore. Baja's landmark also has overwhelming beauty and an amazing rocky formation. It brings together paradise with its two seas, the Sea of Cortez and the Pacific Ocean, celestial, emerald waters which hide a cascade of sand, a spectacular, never-ending drop.

Sunset at the Cabo San Lucas Arch is breathtaking and a classic Baja sightseeing must. You will also be able to observe the sea lions' colony as well as
