

- **VALERIE 35'**

This vessel gives more than a standard sportfishing boat with more space and is excellent value for money. Refitted in 2006 with new Turbo Cummins 315 engines for extra speed. Cabin is air conditioned and has dining area, small galley with microwave, refrigerator, t.v & v.c.r, bathroom, shaded sitting areas both on the fly bridge and in the cockpit Tuna Tubes, GPS, Radar, Fish Finder Water Temp. Gauge, full selection on Penn International tackle. Captain Roberto Sandez has been with Pisces for 23 years and fishes over 300 days a year, so he has plenty of experience. He is a mild mannered, gentle man, very kind and above all an excellent fisherman. He has a quiet personality but makes you feel welcome.

One of his best fishing days ever was when he caught a black marlin, two blue marlin, a striped marlin and a sailfish all in one day. Both Roberto and his deckhand Rosendo speak fair English, both were promoted from our 31ft Bertram Pisces to the Valerie. In early 2008 Roberto was awarded Top Captain for most striped marlin released worldwide in the Pacific during 2007 by The Billfish Foundation.

- **GREAT ESCAPE Jr 35'**

35 FT CABO "GREAT ESCAPE JR": Great Escape Jr is a beautiful new 2006 Cabo, considered by many to be the best sportfisher ever built. This new vessel cruises at 26 knots and can reach a top speed of 35 knots, equipped with twin Cummins 550 engines. The spacious cockpit has a professional fighting chair with "rocket launchers", bait center, live well, refrigerated fish box and shaded sitting area. The salon is totally air-conditioned and has a dinette with seating for six, T.V, Satellite Radio, galley and sound system. There are two staterooms the first has two bunks, the

second is nicely appointed with a queen size bed with own T.V. This vessel has a practical design, including shaded seating for guests up on the flybridge. Captain Ricardo Agundez is a true blue fisherman, the only thing he has ever done, carrying on a family tradition. He is very skilled, pleasant and speaks English. His largest fish to date was an 800 lb blue caught in October 2010. He also led a team of first time fisherman from Finland to victory in the 2006 win of the Los Cabos Billfish Tournament in 2006, which netted them over \$400,000 dollars.

We suggest gratuities at 10-15% of the charter cost. All rates are subject to sales tax. 6 guests maximum*

- **Falcon 37':**

Falcon is a serious fishing boat, with all the great features that Bertram is known for. A smooth riding, fast sportfisher, this boat has lots of equipment usually found only on larger boats. The Wesmar side-scanning sonar helps to find fish and bait in all directions. The Furuno video sounder is paired with a radar that has a 36 mile range, also aboard is a Garmin GPS with chart plotter system. Added to this are Fuginon stabilizing binoculars that help spot birds, porpoise and tailing fish from miles away. The oversized bait well can hold up to ninety live mackerel and there is an additional bait well on the bow.

Downriggers, stand up harness fighting chair and a complete set of Shimano and Penn tackle from 20 to 80 lb test rounds out the fishing equipment. Twin turbo charged Caterpillar engines, ensure that you get to the fishing grounds in good time. The salon is comfortable and the galley is equipped with microwave, refrigerator and freezer. Full air conditioning throughout plus sound system. The master stateroom has a comfy queen size bed, ideal for taking naps. The second stateroom consists of two bunks and there is a bathroom with shower.

Up on the flybridge there is ample shaded sitting, whilst you chat with the captain, Manuel Romero. Manuel is a Cabo native with many years experience. It is rare that he comes back without fish and his largest fish in 2005 was a 700 lb blue marlin. Manuel speaks good English. He is one of the Cabo old school fisherman – fishing since he was 12 years old, extremely knowledgeable, but humble about what he knows. *6 guests maximum

- **YAHOO 42':**

This vessel is a fast, super clean fishing machine. With two Cummins 430 Turbo charged engines, it's no problem to get up over 25 knots and to the fishing grounds in record time. This vessel was recently refurbished and is custom designed for the serious fisherman. The large cockpit rivals that of larger boats and gives plenty of room to anglers when fighting a fish. A professional Pompanette fighting chair, plus two movable sail-fish chairs, ensure that everyone can be part of the action. The cabin is air-conditioned and is very practical and comfortable for getting out of the sun. Dinette, galley with microwave, bathroom with shower, comfy leather arm-chair, V-births and shaded fly-bridge with extra seating. Tackle ranges from 20 to 80 lb , Penn International and Shimano as well as spinning gear for light tackle. Captain Ricardo speaks good English and is dedicated to making your day a success. He is friendly and knowledgeable of the area and keeps his boat in pristine condition.

- **ATTITUDE ADJUSTMENT:**

Bertrams are famous for their sturdy hulls and smooth ride & this vessel is no exception, equipped with twin Mercedes Benz MTU engines, she can reach top speed of 30 knots. This is a clean spacious vessel, offering more room at an attractive price. The air conditioned salon is lined in cherrywood and is ideal for cooling off or taking a nap, with it's large "L" shaped leather couch; entertainment system consists of T.V, DVD, CD and MP3 player. The galley is a few steps down from the salon with microwave , stove and large refrigerator. Two staterooms one with queen and the other with twin bunks, both have their own en-suite bathrooms. The tuna tower provides a great vantage point for spotting fish and the shaded flybridge is equipped with GPS, Fishfinder, Radar, Sonar, Auto Pilot and full safety gear, plus plenty of seating for guests. The cockpit has a Murray Brothers fighting chair, two large coolers, a bait prep station, freezer and live bait well. Fishing equipment is by Shimano ranging from spinning tackle to 80 lb gear.

Captain Edgar Rentaria has been fishing Cabo waters for 20 years and speaks some English. He prides himself on keeping his boat in pristine condition and is very conscientious, working hard to find fish. Before taking over this vessel, he formed part of the team that got first place for releasing most striped marlin worldwide, four consecutive years.
