

- **ANDREA 28'**

New Cummins 315 Turbo engine, with a top speed of 28 knots, 2 fighting chairs, shade, cabin, clean & private bathroom, places to sit or lie down both inside and outside the cabin, live bait well, ship to shore radio, Tuna Tubes during Tournaments, all boats have "Fish Finders", GPS & Water Temp. Gauges. Equipped with Calstar rods, with matching Penn International reels, full selection of trolling lures. Line varies, depending on the time of year, from 30 - 80 lb test.

Orlando Murillo and Abraham Castro, make a great team, they are fun loving and cheerful. Orlando is originally from Loreto and Abraham originally in la Rivera, but raised here in Cabo, both towns further up the Baja Peninsula. Captain Orlando speaks fair English. They are aggressive at fishing and work hard to come back with flags flying, as it is a matter of personal pride for them, they have lots of knowledge between them. Abraham is young with a lot of energy and we have received many comments as to how likeable he is as well as what a great fisherman.

- **ADRIANA 28'**

New Cummins 315 Turbo engine, with a top speed of 28 knots, 2 fighting chairs, shade, cabin, clean & private bathroom, places to sit or lie down both inside and outside the cabin, live bait well, ship to shore radio, Tuna Tubes during Tournaments, all boats have "Fish Finders", GPS & Water Temp. Gauges. Equipped with Calstar rods, with matching Penn International reels, full selection of trolling lures. Line varies depending on time of year from 30-80 lbs test.

Enrique Martinez and Fernando Noyola: Enrique began at Pisces when we were based out of La Paz 27 years ago since then he has been a beloved captain of many of our clients. He has

accumulated thousands of hours on the water and there's not much you can tell him about fishing. He prides himself on keeping his vessel orderly and clean. Fernando is originally from Acapulco, Guerrero. He has been with Pisces over a year, he is a young person, and he loves to fish & surf in his day off. He has a great smile and a nice personality. Captain Enrique is teaching him very well all the fishing techniques, and both do a great a team together.

• **CABOLERO 31'**

The Cabo has been described as the most perfect 31 ft sportfishing boat ever built, due to its many features: speed, the ability to turn on a dime, sleek lines, stability and thoughtful construction as well as an ideal fishing layout. The cockpit has a fighting chair, bait prep station, two large fish boxes for storing your catch and plenty of shaded seating. The main cabin has a double bed, shaped lounge that converts to sleeping berths for overnight trips, built in T.V, DVD, ceramic cook top, Finder, Radar, ship to shore radio and safety equipment. Engines are twin turbo Caterpillar 3126, known for their reliability. Fishing tackle is by Shimano and Penn ranging from light to heavy. Captain Guadalupe has over fifteen years experience in our waters. His largest fish to date is a 712 lb blue marlin. Guadalupe is a young captain with lots of energy who loves to fish, he speaks good English

- **BILL COLLECTOR:**

The Bill Collector is a beautiful 2005 Cabo Express yacht, with a 14 foot beam and top speed of 32 knots. This vessel is considered the ideal for Sportfishing and has the perfect layout for a day on the water. You will be hard pressed to find a cleaner boat than this one in the harbor. The crew keeps her in impeccable condition. The cabin is fully air-conditioned and has an "L shaped dinette with seating for six. The kitchenette has refrigerator, microwave and stove. The bathroom is of a good size and very clean. Satellite radio to listen to your favorite music or you can plug in your IPOD. The open style of this vessel allows everyone to participate in the action whilst at the same time having plenty of shade for up to six guests, with comfortable seats.

The cockpit is well designed with a professional fighting chair, molded in refrigerated fish box to keep your catch, freezer aboard. Bill Collector has a Furuno radar with a 90 mile range, GPS and Fish Finder. Fishing equipment is two speed Shimano and ranges from 16 to 50 lbs. Both heavy and light tackle are available upon request. Tuna Tubes. Captain Julio Gonzalez speaks English and is a Cabo native with a gentle style. He has been fishing this area for 15 years and loves to fish marlin as well as other species. His largest fish to date is a 950 lb black marlin caught on the mainland. Julio and his deckhand go out of the way to make you feel welcome, sometimes preparing fresh sashimi and ceviche aboard.
